

Nick Schols came to entertain us and entertain us he did. We hold a buffet dinner once a month at Shoal Centre with entertainment. The dinner is well attended with between 80 and 100 people each month. Nick came on March 27th with his music, comedy and magic. And magical it was. From the moment he stepped up to the microphone, he kept the audience in rapt attention with his songs, repartee and his magic. The 45-minute show sped by and we were all shocked when it was finished. Applause followed Nick as he walked out of the auditorium. I can tell you that we will have Nick Schols as regular entertainment and judging by the comments that are still coming in, that will be 'a good thing', as Martha Stewart would say.
